FOR IMMEDIATE RELEASE

LAUNCH HAZARD ADVISORY FOR DELTA II GPS IIR-20

CAPE CANAVERAL AIR FORCE STATION, Fla. – The attached map shows the Eastern Range’s Launch Hazard Area (LHA) for the scheduled launch of the Delta II GPS IIR-20 mission on March 24.

For their safety, mariners are asked to remain clear of the LHA from 2:30 to 5:45 a.m. (EDT). The exact coordinates of the LHA are shown on the attached map.

Persons entering this zone while it’s an active launch area should be aware that civil and criminal penalties are authorized to punish violators. In accordance with Title 33, United States Code, Section 1232, the maximum penalty is six years confinement and a \$250,000 fine.

-30-

Note: Dates and times of all launches are subject to change.
